Are you aged between **16 and 25**
and a Six Town Housing tenant, leaseholder
or a member of a tenant household?

Do you want to have your say about your
neighbourhood or on how we do things?
Well, we have loads of ways you can give your
views and not by attending boring meetings!

Check out the different ways for younger people
to get involved...the choice is yours!

To get involved, have your say or join our consultation
mailing list (youngview) contact our Community
Involvement Team. Also keep an eye on the young
tenant's web pages (to be launched soon) to find out
what free training is planned.
